How Does It Work?

Groups can choose between 7.5/ 10/ 15 or 20-hour programmes. Each module chosen from the menu is 90 minutes.

These modules allow the programmes to be built around what each group is looking for. For example, the group may want lots of English language practice, or to learn about London, Leadership, Harry Potter, virtual tours of some of the most famous attractions in our "Welcome to..." modules, or simply to have fun by taking part in an activity such as an online quiz. There is something to suit all tastes and requirements.
